

Callaghan's English Soccer Camps 2018 Monroe, UT

The Beautiful Game - A Wonderful Experience

Youth Camps

Our youth camps are designed to incorporate a “guided discovery” approach for young players. Our coaches provide a fun environment for all our players and give as much time as possible with a ball at their feet to reflect the psycho-motor, psychosocial and cognitive learning process of young children. Focus is on individual and small group activities. As players move towards the ages 8 - 12, larger group practices are then emphasized to highlight increased motor skills and ability to think ahead. Under careful guidance we will nurture the players’ skills so they can have fun with the ball and enjoy learning to love the game at the same time.

Senior Camps

Our senior player camps are designed to challenge club and ODP players to play in and against the many different systems of play that are in place around the world at the highest levels. A high technical demand is placed on each player as we relate the tactical side of the game in many different practices to reflect the many different phases of the game. We also incorporate the very important psychological and physical aspects of the game, which is vital to succeed at the highest levels of soccer.
