

Callaghan's English Soccer Camps 2021 Denver, CO

The Beautiful Game - A Wonderful Experience

Youth Camps

Our youth camps are designed to incorporate a “guided discovery” approach for young players. Our coaches provide a fun environment for all our players and give as much time as possible with a ball at their feet to reflect the psycho-motor, psychosocial and cognitive learning process of young children. Focus is on individual and small group activities. As players move towards the ages 8 - 12, larger group practices are then emphasized to highlight increased motor skills and ability to think ahead. Under careful guidance we will nurture the players’ skills so they can have fun with the ball and enjoy learning to love the game at the same time.

Senior Camps

Our senior player camps are designed to challenge club and ODP players to play in and against the many different systems of play that are in place around the world at the highest levels. A high technical demand is placed on each player as we relate the tactical side of the game in many different practices to reflect the many different phases of the game. We also incorporate the very important psychological and physical aspects of the game, which is vital to succeed at the highest levels of soccer.

COVID 19 RELEASE FORM:

On behalf of myself, my household members, and my minor child, _____,

I hereby give permission for my child to attend Callaghan's English Soccer Camps at

_____.

My child and I are familiar with, and knowingly and voluntarily accept, any and all risks associated with attending soccer camps at any venue. I acknowledge that my child's participation in this program is wholly voluntary.

I specifically assume all risks and hazards associated with my child's participation in the camp including, but not limited to, the risks associated with the novel COVID-19 virus. I understand that my child will be associating with staff and other children and may contract COVID-19, and other viruses and diseases, through my child's participation in the camp. Although the children and staff should have their temperatures taken before entering the camp, that precaution is not nearly adequate to prevent the spread of COVID-19 given, among other things, the relatively long incubation period, and the fact that many infected persons are asymptomatic. I understand and voluntarily assume the risk that my child may acquire COVID-19, and that COVID-19 may subsequently be transmitted from my child to me, my family, and members of my household.

While instruction and reasonable supervision will be provided, camp staff cannot ensure my child's safety. Accidents and injuries happen, and it is impossible to eliminate the risk that my child will suffer an injury or illness.

I certify that my child is in good health, has no fever, and has no current issues that make it unsafe for my child to participate in the camp, which may not have a medical professional on staff. I will notify the camp and not send my child to the camp if my child develops a fever or illness or tests positive for COVID-19. I acknowledge that my child and I are responsible for ensuring that he or she takes any necessary medication, and for avoiding any allergies. In the event of a medical emergency, 911 will be called and I will be responsible for any and all costs of medical treatment.

To the fullest extent permitted by law, I hereby agree to waive, release, and discharge any and all claims, causes of action, damages, and rights of any kind against Callaghan's English Soccer Camps, its staff, any third party such as landlord, school district, its insurers, the district's governing board, and all of their respective employees, agents, representatives, and volunteers (the "Released Parties") arising from or relating in any way to any damage, injury, trauma, illness, loss, unwanted contact, harassment, disability, dismemberment, or death that may occur to my child, me, or my household members—whatever the cause—due to my child's participation in the camp. This includes, without limitation, any claim arising from the negligence of the Released Parties.

I further agree not to sue the Released Parties, and to defend and indemnify the Released Parties for all claims, damages, losses, or expenses, including attorneys' fees, if a suit is filed concerning an injury, illness, or death to me, my child, or my household members resulting from participation in the camp.
